

Sunset Coast Archers

Beginners to Winners Archery Course.

Come and join us, its great fun!

We shoot every Sunday morning from 8.30am on the lower grassed area next to the Mathews Basketball Courts, Selby Street, Jolimont between Cambridge and Hay streets.

Our courses are designed to take you from not having touched a bow to being able to shoot and score rounds with our more experience club members on week five. You will have the use of our Club Equipment for the 8 weeks of the course. If you would like to continue on you would need to join our club for insurance reasons. If you can wait it is best not to purchase your own equipment until you have finished the course when we can advise you on what to buy. You are welcome to continue to use our club equipment (subject to availability) for a further 2 months at no cost. After that there will be a small \$5 hire fee for equipment.

*Subject to change.

- Structured Courses are held on Sundays and go for 8 weeks at a total cost of \$140. There is nothing more to pay.
- In the interest of safety there are a few simple rules that we would like all Archers to adhere to. Closed shoes are to be worn, long hair should be tied back and sun protection should be used. Loose fitting tops and peak caps will also interfere with shooting. Floppy hats are good. Bring something to drink or we have cold drinks for sale for \$1.
- Sunset Coast Archers will supply all of the equipment however you can use your own (Recurve Bow) if it is deemed suitable.
- The Total Cost (fees) are due when booking and are non refundable unless we are given at least 7 DAYS notice if you can not attend.
- **You must be able to attend the first two weeks of the course**. If for whatever reason you miss any one of the following weeks we shall endeavour to make them up where possible.
- Bookings are on a first come basis. There is a Maximum of 12 students aged from 11 years upwards. We reserve the right to change this and will consider younger children if we feel that they are strong enough physically and where a Parent or Guardian is also taking the course.
- Courses go from 8.30am to 10.45am however on or after the 3rd Sunday if we feel that you can shoot with minimal supervision you can continue to practice until 12noon.
- On the fifth week you will be invited to shoot on the main shooting line with club members.
- On the seventh week you will have a 72 arrow competition for which 1st, 2nd and 3rd medals will be presented for each division.
- On the last day of your course you will be involved in a fun shoot and be invited to a free club Sausage Sizzle. We will also have the presentation of certificates for completing the course and medals for the Beginners to Winners competition.
- For more information please contact Club Secretary John Dwyer on 08 9382 2433 or 0479 003 466 or go to <http://www.sca.archerywa.com.au/>
